

HOW'S YOUR MINISTRY TOOL BOX?

Is your ministry tool box empty or lacking certain tools? Do you wonder where to turn for help, where you can go to safely ask questions? NEXT GENERATION MISSIONS exists to join you in ministry and equip you to excel. We offer a wide range of consultation topics, seminars that come to your location, and missions trips to expand the faith and ministry of your students. Our staff is prepared come alongside you in the manner that serves you best. We work at all levels, from the local church, to districts and conferences, to denominations and para-church organizations.
